

Laundry Bio

➤ Mainwash detergent specially formulated for use in commercial and on premises laundries and is effective for all water hardness areas. Pleasantly fragranced formulation containing enzymes and fabric safe bleaching agents provides effective cleaning for heavy soiled cotton and polycotton fabrics.

Best practices

We don't like harming people or the environment so our products are not hazardous when they are diluted. The powder in the sachet is hazardous however we have wrapped it up safely in water soluble film so you don't come into contact with it.

Please make sure you:

Store the sachets in a dry area and keep them inside the packet until you need them. Only handle the sachets with dry hands. If any sachets are damaged please do not handle them without wearing PPE and always avoid the powder making contact with your eyes or skin.

Read and follow the safety data sheet provided.

Always follow the colour coding.

Once diluted the solution is not classified with any hazard.

Classification

Powder only

But the sachets outer film keeps you safe

Instructions

1. Fill washer with load.

3. Select programme.

2. Add sachet to drum.

4. Ready to use.

Product specification

Product code	SCSP100LBP
Where to use	Laundry
Type	Sachet
pH in use	10-11
Colour	White
Dilution ratio	1 sachet per 10kg load
