

# Neutral Floor Cleaner

Designed for regular cleaning of polished floors and sensitive surfaces. Effectively cleans without damage to surfaces or reducing shine on polished floors and gives a feeling of freshness and cleanliness.

## Best practices

We don't like harming people or the environment so our products are not hazardous when they are diluted. The powder in the sachet is hazardous however we have wrapped it up safely in water soluble film so you don't come into contact with it.

### Please make sure you:

Store the sachets in a dry area and keep them inside the packet until you need them. Only handle the sachets with dry hands. If any sachets are damaged please do not handle them without wearing PPE and always avoid the powder making contact with your eyes or skin.

Read and follow the safety data sheet provided.

Always follow the colour coding.

Once diluted the solution is not classified with any hazard.

## Classification

Powder only

Once diluted

**NOT CLASSIFIED UNDER CLP**

But the sachets outer film keeps you safe

## Instructions

1. Add water to the fill line.

3. Agitate / swirl the water until the sachet is completely dissolved.

2. Place the sachet in the bucket.

4. Ready to use
